Founded in 1953

5000+ members

118+ chapters

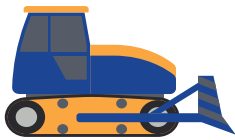

44 states & growing, DC & Guam

NAWIC STRATEGIC PLAN GOALS

INDUSTRY

The industry is a safer and more productive place to work for everyone. It is reflective of the general population, with a more authentic, inclusive and diverse voice.

WOMEN IN CONSTRUCTION

Women are recognized as essential to the viability of the construction industry, providing leadership and technical expertise, while championing inclusivity and ushering collaboration forward to expand the industry.

MEMBERS

NAWIC members have increased opportunity, visibility and influence through the skills and expertise developed through the association.

NAWIC

NAWIC is known in the industry as key to professional success, resulting in increased demand for programs, increased membership, increased revenues and increased opportunities

MEMBERS HAVE ACCESS TO:

Development of leadership skills in safe women-centric environments, development of transferable skills amplifying success, a seat and a voice at the table, professional development training, industry education, networking opportunities, and diversity & inclusion initiatives.

Over \$92,000 in scholarships awarded in 2019 to 72 recipients studying construction in college or trade school.

Free construction camps for middle and high school girls to introduce them to careers in construction!
