"There is so much that keeps me coming back to NAWIC –the networking and the knowledge I receive from attending the meetings and most of all the friendships I have made through the years of being a member.NAWIC has helped me with my self-confidence helping me accomplish things I thought I could not. I have been a member for over 11 years now. I was invited to a NAWIC meeting by at that time a client of mine,Ginny Busby, who now I consider a very good friend of mine and I am thankful she invited me to go."
